

BE PREPARED

What a Personal Injury Attorney may want to know from you in your first meeting

Bring with You

All medical information

- Documents explaining diagnoses and treatment
- Bills from doctors and hospitals
- Bills from physical therapist and/or chiropractor
- Documents explaining any future treatment needed
- Name and address of ambulance service used (if any)
- Name and address of hospital(s)
- Dates you were admitted and released from the hospital
- List of current prescription medications

Lost work or income

- Dates missed
- W2 or other forms

Copy of official report(s)

- Police report
- Other reports

Insurance information

- Paperwork explaining health insurance coverage
- Paperwork outlining auto insurance coverage (if the injury was a result of a car accident)

Photos or videos

- Showing accident details
- Of your injuries
- Showing landscape or road conditions

Be Prepared to Answer

What specific injuries are you dealing with and how are you feeling now? How much pain are you experiencing?

Have you spoken to or given a recorded statement about your accident or injury to your insurance company? What did you say?

Who have you talked to about your accident & what did you tell them?

Have you seen a doctor and what is was the prognosis?

What insurance coverage do you have (auto, medical, property, etc.)?

How has the incident affected you, your family, & everyday tasks – list specifics.
