

# TEXAS

## Provisional License Checklist

To apply for an intermediate license in Texas, you must do so in person at a driver license office and bring the required documents. Here's a checklist of what you need to bring with you to the driver license office:

- Texas Learner License.** If the student was previously licensed (including a learner license) in another state, the out-of-state license must be surrendered, or a Texas Department of Public Safety affidavit must be executed certifying the out of state license has been lost, stolen or expired.
- Proof of education.** If still in school, a completed [Verification of Enrollment and Attendance \(VOE\)](#). If graduated, a high school diploma or GED.
- Certificate of driver education.** A signed, original DE-964 form to verify the required behind-the-wheel hours of driver education has been satisfied. Forms are available from the driving instructor or in the PTDE packet.
- Certificate of ITD course.** Proof of completion of a mandatory free 1-2 hour safety course - either Impact Texas Teen Drivers (ages 15-17) or Impact Texas Young Drivers (ages 18-24). The driving skills exam must be passed within 90 days from when the ITD certificate was awarded or else the student must take the course again. Courses are available through the [Impact Texas Drivers website](#).
- Proof of insurance.** If the applicant owns a car, proof of liability insurance and Texas registration is required during the driving test. If not, you must submit a statement affirming that the applicant does not own a motor vehicle.
- Application.** A completed [application form](#) for renewal/replacement/change of a Texas driver license or ID card (also available at any driver license office).
